

"If people spent an hour a week in Eucharistic Adoration, Abortion would be ended." Mother Teresa

St. Therese Marian Vigil Society

THE RESTORATION OF THE FOUR ROOT PILLARS, THAT BEING, **LIFE, MARRIAGE, FAMILY, AND PRIESTS/RELIGIOUS**, ARE ESSENTIAL TO THE PROMOTION OF A CULTURE OF LIFE AND THE RENEWAL OF CHURCH AND SOCIETY.

1. Respect for **LIFE** from conception until natural death. Life is sacred at all ages and stages. We pray for an end to all actions against life: **abortion, euthanasia, human cloning, embryonic stem cell research and even IVF procedures**. That is, any attack on the very essence of life from the instant of its conception, whereby the soul is immediately imbedded into the 1-cell zygote, until natural death. This includes the manipulation of embryos in laboratories regardless if the means of doing so seems noble.
2. The sanctity of **MARRIAGE** as a permanent covenant between one man and one woman committed to each other for life, that is chaste, open to life and lived according to God's plans.
3. To promote the building up of strong, loving and holy **FAMILIES** and to preserve the family unit as the basic cell of Church and society from being redefined in ways contrary to the divine law. This in turn will create the wholesome environment needed for the development of fruitful vocations of life and service to both Church and society and the establishment of other loving and holy families.
4. To pray for the renewal of vocations of **PRIESTS AND RELIGIOUS**, so that they may be faithful to their vows and the teachings of the Catholic Church, and for the increase of holy vocations to the priesthood and religious life.
