

Vigil of Love Prayer

- V. *Dear God, we abandon ourselves to you with LOVE as our motive. We offer these intentions for Life, Marriage, Family, and Priests/Religious with LOVE as our motive. We offer this sacrifice of participating in this Vigil as an act of Merciful Love to you. For the very existence of this Vigil and other Vigils of Love, we offer as an act of Merciful Love to you O Lord. For we know that to Love is the greatest weapon of all, and actions done out of Love for our God elevates those actions to such a higher degree and offers a great force to combat the great evils of our day. Dearest Jesus, you were the Victim of Love on the cross which brought about the Redemption of mankind. You continue to be a Victim of Love everyday during the holy sacrifice of the Mass. We, therefore, imitate your acts of LOVE with our oblation of Love to you, Our Lord. However, since our oblation is tarnished by our sinfulness, we don't lose confidence in our offering as we have recourse to Our Lady, and ask her to purify this offering and make it pleasing and acceptable to you.*
- R. All for Thee, my Lord. We Love you, Our Father. Amen.
