

Prayer for Marriages

Believers must oppose the spirit of divorce that is so prevalent in this age. There is no other alternative. Believers need to pray for marriages, especially those that are in trouble. It is our duty and our privilege to intercede for these couples. If your marriage is in trouble, you must plead with God for the marriage. If you know that a marriage is in trouble, you must stand in the gap for that marriage. It is time that the church stops giving up on marriages. It is time that the church humbles itself before God and intercedes for couples. Divorce does not have to be the norm. Broken families and lives do not have to be a daily reality. As long as God is in heaven and God's people pray, there is hope for marriages and families.

God please bless marriages in warmth and strength. Give couples guidance, love, and understanding to be the best that they can be. Be with them through the difficult moments and the beautiful ones. Teach them that marriage is a loving process and a challenge.

Father, we pray that You will deliver couples from self-centeredness. Grant that they will have a servant's heart. Father, in the name of Jesus, we pray that You would bind the work of Satan from marriages. He would love nothing more than to destroy them. We ask You to stop his work in couples' lives and destroy his attacks against marriages.

Lord, we ask You to help couples deal with any unconfessed sin in their lives. We plead that couples will speak the truth to one another in love and to share their feelings without being arrogant or spiteful. Please create a spirit of forgiveness in marriages, and that couples will be kind to one another. Through love and honesty, enable couples to work through their differences.

Father, we plead that You would bring marriages into a more intimate relationship with Yourself. Cause couples to long for You as the deer longs for water. Grant couples a hunger in their soul for You. Create within them a spirit of prayer, especially for each other.

Father, we ask that You would deal with any past problems in marriages that are causing trouble now. Your Word declares that You heal the brokenhearted and that You bind up their wounds. In the name of Jesus, we ask You to be true to Your Word and heal the emotional wounds and baggage that couples have in their lives.

Father, we pray that You would rekindle passion and desire between couples. We ask You to bless their relationships and cause them to rejoice in it.

Lord Jesus, You have declared that what therefore God has joined together, let no man separate. You desire one man to be with one woman for life. We plead with you to save and strengthen marriages. O God, do not let sin, Satan, circumstances, or problems separate what You have joined together. Amen.
